118TH CONGRESS 1ST SESSION	S.	
1st Session	5.	

To require the Comptroller General of the United States to submit a report on the disclosure process for intellectual property created under a Federal grant, and for other purposes.

IN THE SENATE OF THE UNITED STATES

Mr. TILLIS introduced the	following bill;	which was	read twic	e and referred
to the Comr	nittee on			

A BILL

- To require the Comptroller General of the United States to submit a report on the disclosure process for intellectual property created under a Federal grant, and for other purposes.
 - 1 Be it enacted by the Senate and House of Representa-
 - 2 tives of the United States of America in Congress assembled,
 - 3 SECTION 1. SHORT TITLE.
 - 4 This Act may be cited as the "Improving Efficiency
 - 5 to Increase Competition Act".

1	SEC. 2. GAO STUDY ON THE IMPACT OF BAYH-DOLE ACT
2	REGULATIONS ON CONTRACTORS IN THE
3	UNITED STATES.
4	(a) Definitions.—In this section:
5	(1) Ability.—The term "ability" means time,
6	resources, staff, and any other metric determined
7	necessary for compliance under the contract require-
8	ments described in chapter 18 of title 35, United
9	States Code, including any regulation issued under
10	that chapter.
11	(2) Contractor; federal agency; funding
12	AGREEMENT.—The terms "contractor", "Federal
13	agency", and "funding agreement" have the mean-
14	ings given those terms in section 201 of title 35,
15	United States Code.
16	(3) Institution of higher education.—The
17	term "institution of higher education" has the
18	meaning given the term in section 101(a) of the
19	Higher Education Act of 1965 (20 U.S.C. 1001(a)).
20	(4) Relevant committees.—The term "rel-
21	evant committees" means the following:
22	(A) The Committee on the Judiciary of the
23	Senate.
24	(B) The Committee on Commerce, Science,
25	and Transportation of the Senate.

1	(C) The Committee on Health, Education,
2	Labor, and Pensions of the Senate.
3	(D) The Committee on the Judiciary of the
4	House of Representatives.
5	(E) The Committee on Science, Space, and
6	Technology of the House of Representatives.
7	(F) The Committee on Education and the
8	Workforce of the House of Representatives.
9	(b) Report Required.—
10	(1) In general.—Not later than 180 days
11	after the date of enactment of this Act, the Comp-
12	troller General of the United States shall brief the
13	relevant committees, with a report to follow on a
14	mutually agreed upon date that is not later than 1
15	year after the date of enactment of this Act, regard-
16	ing the implementation of chapter 18 of title 35,
17	United States Code (commonly referred to as the
18	"Bayh-Dole Act"), specifically with respect to the
19	requirements under that chapter, and the regula-
20	tions implementing that chapter, that a contractor
21	under a funding agreement with a Federal agency
22	must follow with respect to patent disclosure.
23	(2) Contents.—The report required under
24	paragraph (1) shall include, to the extent prac-
25	ticable, information on the following:

1	(A) The percentage of inventions, as de-
2	fined in section 201 of title 35, United States
3	Code, that are not elected by contractors to re-
4	tain within the time period provided following
5	the disclosure of an invention under part 401 of
6	title 37, Code of Federal Regulations, or any
7	successor regulations.
8	(B) After any automatic extension of time
9	has been granted under section 401.14 of title
10	37, Code of Federal Regulations, or any suc-
11	cessor regulation, and in a case in which a con-
12	tractor requests an additional extension—
13	(i) the number of such extensions that
14	are granted by Federal agencies for disclo-
15	sure, election, and filing under that sec-
16	tion; and
17	(ii) the average response time by each
18	Federal agency for such an extension.
19	(C) How the reporting requirements under
20	chapter 18 of title 35, United States Code, im-
21	pact the ability of a contractor to compete with
22	foreign competitors.
23	(D) How the Federal Government uses
24	Federal reporting under chapter 18 of title 35,
25	United States Code, by contractors and sug-

1	gested improvements to ensure there is an im-
2	proved public-private partnership.
3	(E) Barriers that Federal reporting re-
4	quirements under chapter 18 of title 35, United
5	States Code, create for contractors to develop
6	inventions, as defined in section 201 of title 35,
7	United States Code.
8	(F) The time and effort institutions of
9	higher education must use for the management
10	and reporting required under chapter 18 of title
11	35, United States Code, including—
12	(i) input from contractors with var-
13	ious sizes, budgets, geographical positions,
14	and specialties;
15	(ii) with respect to any institution of
16	higher education included in the report, a
17	consideration of the specific research des-
18	ignations for that institution, including
19	whether the institution is classified as an
20	R1 or R2 doctoral university, according to
21	the Carnegie Classification of Institutions
22	of Higher Education framework; and
23	(iii) how such contractors vary on
24	their ability to efficiently comply with the
25	requirements under that chapter.

1	(G) Difficulties contractors encounter in
2	using the patent reporting system deployed by
3	the National Institute of Standards and Tech-
4	nology (commonly known as, and referred to in
5	this paragraph as, "iEdison") and rec-
6	ommendations to address those difficulties.
7	(H) If any other Federal agency does not
8	use iEdison, whether that Federal agency—
9	(i) would benefit from using a sin-
10	gular standard Federal reporting system;
11	and
12	(ii) can effectively standardize report-
13	ing requirements in order to streamline
14	processes required by contractors.
15	(I) The number of disclosure systems used
16	throughout the Federal Government, listed by
17	which system is used by each Federal agency,
18	and the various disclosure requirements made
19	by each such Federal agency.
